GLOBUS 410 CONCRETE PENDANT LAMP

GLOBUS 410 CONCRETE PENDANT LAMP

ABOUT THE PRODUCT

Globus 410 pendant lamp is designed by Urbi et Orbi Studio in 2015.

It features a simple shape with elliptical curves that gains uniqueness due to its materiality. Even though concrete gives the impression of weight, Globus weighs only 6 kilograms, adding only to the aesthetics of a space. It adequately illuminates a dining area, a living room, or a kitchen while simultaneously serving as a decorative element due to its color options.

This concrete suspension lamp is produced through our company's Zero Waste Project developed over the past 3 years, with a recycling rate of 20%.

GLOBUS 410 CONCRETE PENDANT LAMP

COLORS

BASIC

OPTIONAL

COOL & WARM

SAND

Colored in its mass with pigments

Every piece may exhibit color variations on its surface, as well as among other pieces of the same product or sample products.

The concrete surface exhibits surface voids that are caused by the air. This is a natural property of concrete.

SPECIFICATIONS

INDOOR

Diameter: 41 cm

Height: 17 cm

Edge thickness: 1 cm
